

GREECE

LET'S BUDGET!

At LeadAbroad, we recognize that everyone has a different financial situation at home, so we want to best prepare you for what budgeting abroad might look like in Greece! We have gotten a lot of feedback from students regarding their budgeting while abroad so we wanted to help our future students best prepare for their day-to-day spending. Below you can find roughly how much our students have spent on day to day activities and bucket list items in the past.
